"The basic gameplay is fun, and the interface is well done and responsive. As you fight enemies that appear in randomized battles, your stats become stronger. Read more: "It is fun to play a genre that you do not normally enjoy." Read more: "You can not only fight monsters, but feel good after you slay them. This is rare in the first person dungeon game." Read more: "This game is a complete package, including graphics, game play and design." Read more: "If you are bored, I recommend this game. Otherwise, I don't recommend this game." Read more: "This game is fun, with a good story." Read more: "The story takes a lot of time, but if you are not busy when you play this game, it does not get tiresome."
