they need to work on. 15 Feb 2009. This article outlines the various strategy game systems of the SP game Supreme Commander 2. Overview Download Links.Q: Reverse mapping in Google App Engine for Java using memcache, not datastore Ok, so I have an application that uses Google App Engine, Java, and memcache. I am using cache reverse mapping to store different types of values from a given cache key. It works great. However, I just realized I can't use it in the datastore. So, I have to create a new memcache key every time I need to save new data. The only solution I see at this point is saving the new data into the dat 648931e174
